PASTORAL LETTER

New Year's Eve is one of those few days in the year when just about everybody is thinking about the same thing. There's something dramatic about watching the old year slip away by counting the hours left in it, then the minutes, down the seconds when the old year has passed into history, never to come again. We seldom think much about time except when we're running late. Time is a lot like a river and it's carrying all of us downstream. Where is it taking us? What are we doing while we're on the trip?

If there is anything we truly need in this New Year, it is to get closer to God, to grow in the love of our Savior, and to carry out His will for our lives. That will carry us through no matter what the river of time may bring our way. There may be times in this coming New Year you will feel cut off from God's sight. You may wonder if God has forgotten you. Oh, there's good news for you, my friend, good news that you hear at the end of many a worship service. The Lord makes his face shine upon you. The Psalmist says: *Let your face shine upon your servant; save me in your unfailing love.*

When God's face is shining upon His people, that means that he is SMILING upon them. What more could you ask from the New Year than that? We have a God who came here personally to smile upon us while He walked and talked with us. He endured the Father's dread frown over our sins so that we could see His face smiling upon us forever. God was forsaken by God so that we would not have to dread the time when our lives will pass in review before Him.

Have a wonderful and a blessed year - 2009

Clive E. Ponnuraj

Time Management for the Year 2009

Take time to work—it is the price of success.

Take time to think—it is the source of power

Take time to read—it is the fountain of wisdom

Take time to worship—it is the highway to reverence

Take time to be friendly—it is the road to happiness

Take time to laugh—it helps to lift life's load

Take time for God's Word—it brings Christ near and

It washes the dust of earth from your eyes.

Take time for God—it is life's only truly lasting investment.

In Jesus' name, **Amen.**

Youth Column

Hi everybody, Happy New Year.

Christmas is over, the New Year has begun. Celebrations, enjoyments, good food are all over. What are we doing next? What does our future hold? Exams, jobs, placements, post grads, etc, etc. are we worried? Are we trying to decide what to do? I was. And at this time, Dr. Meredith Hawkins spoke to us, medical students. She shared on the verse "I am the Way, the Truth and the Life." It's a common verse, much heard about. But we loose out on understanding the real meaning at times. This is what she shared.

THE WAY: Jesus is the way. Can we walk down a path without looking where we place our feet? No, we cannot. But, in our lives, we can look at God and trust Him to place our feet in the right place. Our faith, hope and trust should be focused on God. That does not mean we sit back and do nothing. But we continue to keep ourselves occupied with the work at hand. God will lead us thro' it.

THE TRUTH: our minds are constantly filled with thoughts, most of them negative. But we should fill them with the Word of God. Only then can we truly say "the truth has set us free."

THE LIFE: is there life in a dark green pine cone or in the birds of the air singing joyfully? It is easy to say there is life in the birds. But there is life in the pine cone as well because it is green. The life is deep within. That is how our life should be as well; filled with life from the source of life – God. Only then can we bear the fruit of the spirit.

This New Year, let us take time to commit our lives into His mighty hands and enjoy a free and fruitful life.

Schedule for January.

Youth fellowship will meet again on 11th January after Christmas holidays.

Please do come and be blessed.

God bless,
Beulah Shekinah Elango.
 Youth secretary.
